Sir,

Subject: The Indian Dentists Act. 1948

I have the honour to apply for the inclusion of the degree in dentistry issued by the University Basel, Switzerland in the Schedule, Part II (30) which provides that further foreign qualifications can be recognized by notification. I am a holder of the Dr.med.dent. Degree of the University Basel, am eligible for registration anf find that the degree of that University has not been included in the Schedule. The degree issued by the University Basel is a very high one. It is indeed higher than the diplomas of many of the Universities which have been recognized in the Schedule under Part II.

Thanking you in anticipation, I have the honour to be,

Faithfully Yours
